Personal Statement

"I have known Andrew on a professional and personal level for over 24 years, and when Andrew had to sit out a 12-month sabbatical before setting up Six Q Financial Planning I acted as a temporary locum for some of his clients who required advice over this period, as Andrew fully trusted the advice I would provide his clients. Therefore, as part of my commitment to a valued friend, I am proud to step in and act as a Locum for the period it will take his son Harry to carry on from Andrew, once he is up and running, I will still be in the background for support, advice & guidance should it ever be required."
